

GUIDELINES FOR SUBMITTING AN ABSTRACT

2006 MRS SPRING MEETING

APRIL 17 - 21 • SAN FRANCISCO, CALIFORNIA USA

IN FAIRNESS TO ALL POTENTIAL AUTHORS, LATE ABSTRACTS WILL NOT BE ACCEPTED

Abstract Length: Web-site submissions are limited to 3000 characters.

WEB-SITE SUBMITTAL ONLY — DEADLINE: November 1, 2005

Note: All abstracts must be submitted via the MRS Web site.

The submission site will open on October 1 at www.mrs.org/meetings/spring2006/

Submitting abstracts via the MRS Web site is easy and convenient. Follow the easy step-by-step instructions on the template, making sure that complete mailing address information is included for the presenting and contact authors. After submitting your abstract, please use your six-digit Control ID number in all communications with MRS regarding the abstract UNTIL a paper number (e.g., A3.8) is later assigned.

REVISIONS

Because major revisions may affect a symposium organizer's decision to accept your abstract, please review it carefully before submission. In the unusual circumstance of having to revise your original abstract, the online submission center enables authors to revise their abstracts up to and including the submission deadline of November 1. After that date, the change must be submitted to: **meetings@mrs.org (Subject: Abstract Revision) and must include your six-digit Control ID number.** Please state exactly where the revisions are located (e.g., title, author, body, etc.).
